Blast from the Past Rally Extras

To compliment our Shakedown Rally, the Neumann's have added a luncheon and a tour to our itinerary. The luncheon and tour are both stand alone events. You do not need to attend the rally to join us for lunch and/or the tour. Take a daytrip to Durand and join the fun we have planned on Saturday, April 29, 2006.

The station is one of the many hidden treasures located in Michigan. The luncheon will take place in the newly restored Grand Ballroom on the 2nd floor of the Historic Durand Railway Union Station. The Grand Ballroom is handicapped accessible via an elevator. The station also has plenty of parking. The Station is over 100 years old and played an important part Michigan's Railroading history. The station is full of interesting historic relics. There is also a wonderful model railroad on display. Step back in time and imagine what railroading was like in the past.

For the shopping lovers, there is a Ben Franklin's store located in the Downtown Durand which you don't want to miss also. There are not many of these "dime stores" around anymore.

The tour is \$3 per person to help in the restoration of the station which is run by the City of Durand. The luncheon is \$10 per person. Please join us for a trip into Michigan's great heritage. This would be a wonderful opportunity to catch up with everyone after a long cold winter.
