

# **“Take Me Out to the Ball Game”**

## **Region One Rally**

**August 5 - 9, 2009**

The Cape Cod Mass. Unit is hosting the **“Take Me Out to the Ball Game”** Region One Rally at the Champlain Valley Exposition in Essex Junction, VT over August 5-9, 2009.

Our level rally site has all 30-amp & water sites and we'll offer a Sunday morning pump-out service as you leave for home. Our Vintage Parking is convenient to restrooms and showers so you'll enjoy all the comforts of Vintage Airstreaming without the anxiety of filling up the tanks.

The theme in itself says, “fun” and we will involve everyone in enjoying 4 fun-filled days of activities including entertaining competitions related to our sports theme.

But before the competition begins we'll all take a 1-1/2 hour narrated cruise on Lake Champlain which includes a full buffet. Yep! The “coach” chartered a boat to take his team on a much needed Lunch on the Lake Cruise.

We ask that everyone come prepared to dress up your Airstreams and yourselves in “team” or “sports theme” décor. Everyone loves a “good sport” so, decorate those rigs and get on your favorite pro or college sports team garb and enter the contest. You could win one of three prizes to be awarded. So, mark your calendars, for “Fantastic Fan Day”! You could be the most Fantastic Fan at the rally.

We'll be sure to have those all important 1st Timer seminars as well as other instructional Airstream-related seminars. And, since we can't do this on empty stomachs, we'll enjoy 4 breakfasts and 3 dinners.

If this isn't enough, there are oodles of things to see and do in the “Green Mountain” state. Bring those kids (and bring along their bikes because the CVE has excellent roads where the kids can ride around all day long within the safety of the fairgrounds area).
