CD = This person can burn a CD-ROM of the pictures for you.

## Rules of the Game:

The people on this list have volunteered to help you inspect an Airstream/Argosy trailer that is located near them. At a minimum, they will look at the trailer, take pictures, and send those to you. Some people are qualified to offer opinions on the condition and potential problems. **Keep in mind that this is just a quick "sanity check" to save you hundreds of miles of unnecessary driving and/or multiple phone calls with the seller.**

Please offer to reimburse for expenses. Suggested rate is \$0.30 (U.S.) per mile, plus mailing or film development costs. Some people require this.

This is a free service provided by amateur enthusiasts. Don't expect a detailed condition report. Final inspection is still your responsibility.

The people on this list may not be available to go see your trailer when you contact them. Since they are doing it just to be helpful, be patient!

This is just a list to help you find local Airstream enthusiasts. Nobody on this list has been verified or checked out. Airstreamforums.com and the list maintainer(s) assume no responsibility. *Caveat emptor!*

*Please send any changes/corrections via PM to "rluhr" on airstreamforums.com*
