

# RARE AIR

**M**y wife and I live in the state of Washington, and we frequently vacation on the beautiful Oregon coast. Driving along U.S. 101, we have seen thousands of motorhomes meandering along that scenic highway. I always thought that I would enjoy that lifestyle. So I finally decided to step up and give it a try. Doing so was going to require some research into the industry and the purchase of a used RV.

## At 37 feet long, the 1989

Airstream 370 LE is the largest motorhome model built with the company's classic "silver bullet" styling (above, opposite). Restoration included new upholstery and the addition of a flat-screen TV (right).
