Dometic

THE SIGN OF COMFORT

Dometic creates innovative leisure products that are all about your needs — how you and your family enjoy life's adventures in comfort and security.

Our full line of refrigerators

are designed for today's active

RVer. In fact, we created the RV

refrigerator so we understand the

nature of cold better than anyone

else. Dometic — comfort wherever

your travels take you.

Elite 2+2

DM1350 • DM1350WIM

The top-of-the-line Elite sets a higher standard for convenience and luxury. Our largest, most upscale refrigerator comes with high-end features that make it unquestionably the best. Unlike other four-door units, Elite features a divider-less freezer compartment that enables you to chill larger containers and food items.

Bigger is better. Our cooling unit is large and powerful — perfect for keeping all your food cold and crisp.

The optional ice maker along with the in-door ice water dispenser provide a great way to cool down on a hot day.

food! Three clear-view crispers provide plenty of room for all your fresh fruits and vegetables.

Dometic knows how to store

The Elite 2+2 is perfect for entertaining family and friends. Its intelligent exterior design makes it easy to access the large-capacity interior, even when handling larger food items.

For an extra measure of safety, the refrigerator doors are automatically locked whenever the RV's ignition key is turned on. This patented feature is yet another industrychanging innovation from Dometic.

One adjustable shelf guard is good. Two are better! With dual-way shelf-guards, jars and bottles are securely held and ready for "chef's touch" food preparation.

SideWise

NDA1402 • NDA1402WID

Distinctly different and unsurpassed in elegance, SideWise is also a top performer. Its auto defrost system automatically removes ice build-up every night. Plus, the variable size compartments fit your storage needs, and its 180-degree full-swing doors make access easy. Available in black or platinum stainless steel exterior.

Tip-out freezer door shelves and sliding freezer bins offer maximum storage capacity and ease.

Our Versatile Racking System™ is perfect for accommodating food items and containers of various sizes.

Eye-level electronic controls are easy to see and operate, making it a breeze to monitor your refrigerator temperature.

design and unparalleled features make SideWise tops in its class - and a real head turner. Two-way power means it is practical,

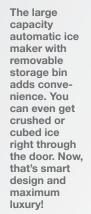

Halogen interior lights provide maximum illumination with minimum energy usage. Its just another way Dometic designs products to meet your needs.

New Generation 7 & 9

DM3762 • DM3962

Thanks to advanced insulation technology, Dometic found ways to increase the storage space — but not the outside dimensions — of the New Generation refrigerator. You can enjoy New Generation's stylish looks along with the added cubic foot of storage space.

Superior Dometic design! Self-locking door handles are designed for easy operation, security and a true residential "feel."

We designed New Generation for the way you live. The fresh food shelves provide flexible storage options.

Americana Plus

DM2662 • DM2862

A dependable, hardworking refrigerator, the Americana Plus is loaded with convenience features. Eye-level controls ensure easy, fingertip operation. Two-way power, with automatic electronic LP gas ignition, offers flexibility. Plus the reliable absorption cooling system and superior insulation ensure foods stay fresh, beverages cold and energy costs low.

Of course you want an efficient refrigerator, but how about good looks? Americana Plus provides both: technology that works for you plus great style!

With over eight models, the Americana series fits any RVers needs.

Eye-level adjustable control panel has five manual settings for total temperature command right at your fingertips.

Dometic designed a climate control system that saves energy, helps prevent condensation and keeps food crisp and fresh.

Classic

DM2620R • DM2820R

Stacked with your all your favorite foods, Classic is always ready!

Storage options galore! A gallon container space and two crispers are just a few of the storage options.

With its full features and affordable price, the Classic refrigerator tops the list as the ideal replacement unit for RVs. It comes in two popular sizes, ensuring the right fit for existing cabinet openings. Plus its convenient features and clean, modern look ensure a perfect blend into your décor.

The absorption cooling system provides consistent temperatures with an energy-saving adjustable thermostat. It's superior Dometic engineering in action.

The removable door bins have Dometic's exclusive Magic Fingers™ which securely hold jars and bottles during travel.

Dometic Portable Refrigerator/Freezers

CF18 • CF25 • CF35 • CF40 • CF50 • CF80 • CF110

Take your cool refreshments with you! Dometic offers a full line of portable compressor refrigerators and freezers. Lightweight, compact models hold 23 cans of soda while larger units hold six full cases of canned drink and are made of high impact, weather-resistant materials that look great and provide years of cool, dependable service.
